

MULMUR

Matters

FALL 2018

Welcome to Mulmur's Economic Development Committee's Quarterly E-Newsletter. Each newsletter will feature a local business, list upcoming events and highlight economic initiatives in Mulmur. It is our hope that this newsletter will bring wider awareness to, and promote economic development in Mulmur. If you would like to feature your event or business in our next newsletter contact info@mulmur.ca

HIT THE SLOPES AT THE MANSFIELD SKI CLUB

The Mansfield Ski Club is a very proud member of the Mulmur community. The Club has been providing exceptional winters to its members and guests since 1962. Along with stunning ski terrain which boasts 17 runs, 7 lifts and freestyle terrain; the club offers a wide variety of exciting and engaging amenities both on and off the slopes including yoga classes, art workshops, snowshoeing, instructional & competitive programming, snowbiking and a bursting social calendar! The Club operates from mid-December to the end of March and membership inquiries are always welcome. <http://www.mansfieldskiclub.com/>

Community Events Committee

Help Wanted by Local Businesses!

Businesses in Mulmur are a key foundation in our community. They serve our needs locally and provide options for the many visitors who come to enjoy our area. It is important that we all support our local businesses whether enlisting their services, eating or staying at local establishments or attending local events -- AND we should encourage others to do the same. One challenge that many of our local businesses have is getting and keeping employees. There are many opportunities to work close to home, gain experience and support a local business. If you're looking for a job or know someone who is -- think local! We encourage businesses and job seekers to take a look at the following website for employment opportunities: <https://www.dufferincounty.ca/government/careers>

ROGERS COMMUNICATION TOWER

As part of our mandate in 2014, the Economic Development Committee has been networking and lobbying the telco carriers to improve mobile and high-speed internet services in Mulmur Township. It is a complex process but we are beginning to see some progress. Rogers has proposed to put a new tower west of the ball diamond in Mansfield that will provide robust wireless services for the surrounding area. Mulmur Township is very pleased with Rogers support and will continue to partner with all carriers to deliver enhanced internet and mobile services in our area.
