

May 4, 2012

This letter is an invitation to join your local Council in planning for our Township's future. We want to hear from you!

We are developing Mulmur's first Strategic Plan. It is a top priority for us, as your Council, to prepare a plan that complements our Official Plan and sets us on the right road for years to come. To be effective, it is critical that we *include the perspectives of all Mulmur's residents: farmers, retirees, commuters, weekenders ... everyone.*

We have begun by bringing together a working group of residents to share their knowledge about this Township's beauty, history and strengths. This is a great start and helps to form a path forward. Your views will deepen our understanding, including areas where we are not meeting your expectations and how we can manage threats *and opportunities* in our collective future - *including new housing, recreation, culture and heritage, public works and other services, all the facets of our ongoing financial responsibility.*

On behalf of Council, I invite you to join us in planning the future of Mulmur Township. Send us your email address so that you can be informed about the work underway, including opportunities for input such as meetings and town halls. It's easy! You can go to our website – www.mulmurtownship.ca and click the link on the homepage or email us at info@mulmurtownship.ca or call us at 705-466-3341 or snail mail us or pop into the Office – we would love to see you!

Mulmur Township Council is committed to planning the future of Mulmur Township with you.

Best regards,

Paul Mills

Paul Mills, Mayor
Township of Mulmur

The Mulmur Mystique

Mulmur is “a wee bit of heaven”, according to our Township website. As residents we express this belief by choosing to live here, either full-time or by enriching part of our lives with time spent in this quiet, rural paradise.

What are your reasons for choosing Mulmur?
