### Completeness of the Application

The information in this form **must** be provided by the applicant with the appropriate fee. If the information and fee are not provided, the application will be returned or refused for further consideration until the information and fee have been provided.

The application form also sets out other information that will assist the Township and others in their planning evaluation of the application. To ensure the quickest and most complete review, this information should be submitted at the time of application. In the absence of this information, it may not be possible to do a complete review within the legislated time frame for making a decision. As a result, the application may be refused.
