(INTENTIONALLY LEFT BLANK)

SECTION 1: ADMINISTRATION

1.1 TITLE

This By-law may be referred to as the "Comprehensive Zoning By-law of the Township of Mulmur."

1.2 AREA AFFECTED BY THIS BY-LAW

This By-Law applies to all lands and lands under water within the Township of Mulmur except lands that are included within the Niagara Escarpment Plan Area, which are exempt. This By-Law shall be used by the Township as a guideline for commenting to the Niagara Escarpment Commission on Applications for Development Permits and on proposed amendments to the Niagara Escarpment Plan.

1.3 BUILDING PERMITS

The requirements of this By-law must be met before a Building Permit is issued for the erection, additions to or alteration of any building or structure.

1.4 ENFORCEMENT

Any person convicted of a violation of this By-law is liable on first conviction to a fine of not more than \$25,000, and on a subsequent conviction to a fine of not more than \$10,000, for each day or part thereof upon which the contravention has continued after the day on which the person was first convicted in accordance with The *Planning Act*.

Any Corporation convicted of violation of this By-law is liable on first conviction to a fine of not more than \$50,000, and on a subsequent conviction to a fine of not more than \$25,000, for each day or part thereof upon which the contravention has continued after the day on which the person was first convicted in accordance with The *Planning Act*.

If any buildings or structures or any part thereof is to be erected, altered, reconstructed or extended, or any lot is being used or is to be used, in contravention of any requirement of this By-law, such contravention may be restrained by action at the instance of any rate-payer or of the Municipality pursuant to the provisions of The *Planning Act*, R.S.O. 1990 and/or the *Municipal Act*, R.S.O. 1990 and/or any other legislation applicable.

1.5 SEVERABILITY PROVISION

A decision of a Court that one or more of the provisions of this By-law are invalid in whole or in part does not affect the validity, effectiveness, or enforceability of the other provisions or parts of the provisions of this By-law.

1.6 REPEAL OF EXISTING BY-LAWS

- a) Except as set out in subsection 1.6b, the provisions of the Township of Mulmur Zoning By-law 05-02, and all amendments thereto, are hereby repealed.
- b) Notwithstanding anything to the contrary, including subsection 1.6.a, this By-law shall not apply to the lands listed below and By-law 05-02 and all amendments thereto shall continue in full force and effect respect the lands listed below:
 1. Temporary Use By-law 25-17, expiring October 31, 2019; and
 2. Lot 23, Concession 7 (Roll No. 221600000406400).

1.7 EFFECTIVE DATE

This By-law shall come into force the day that it was passed where there are no appeals filed, or where appeals are filed, where all of the appeals are finally disposed of by the Local Planning Appeal Tribunal.

1.8 USE OF LAND BUILDINGS AND STRUCTURES

No lands, buildings or structures within the area covered by this By-law shall be used for any purpose except as otherwise permitted by this By-law.

1.9 APPLICATION OF OTHER REGULATIONS

Nothing in this By-law shall serve to relieve any person from any obligation to comply with the requirements of any other by-law of the Township of Mulmur or any other Federal or Provincial regulation that may affect the use of lands, buildings or structures in the Township.

1.10 TEXT BOXES AND ILLUSTRATIONS

References provided in text boxes and illustrations do not form part of this by-law and maybe updated or replaced without amendment.

SECTION 2: ESTABLISHMENT OF ZONES

2.1 ZONES

For the purposes of this By-law, the following zones are established, and they may be referred to by the name or by the symbol set opposite the name of the zone below:

A	-	Countryside Area
RR	-	Rural Residential
RC	-	Rural Commercial
ER	-	Estate Residential
HR	-	Hamlet Residential
CG	-	General Commercial
CH	-	Highway Commercial
BPG	-	Business Park Gateway
BPC	-	Business Park Core
BPT	-	Business Park Transition
RE	-	Recreational
I	-	Institutional
MX	-	Extractive Industrial
MD	-	Waste Disposal
OS	-	Open Space
EP	-	Environmental Protection

2.2 ZONE SCHEDULE

The zones and zone boundaries are shown on the attached Schedule 'A', which forms part of this By-law. Schedule 'A' may be comprised of a series of maps.

2.3 SPECIAL ZONES

Where a zone symbol is followed by a dash and a number, (for example RM-1) there are special provisions that apply to the zone. These special provisions are contained in the section of the By-law that applies to the primary zone.

2.4 DETERMINING ZONE BOUNDARIES

The boundaries of a zone shall be determined as follows:

- i) A zone boundary shown approximately at a lot line, street or lane is considered to be at the boundary of the lot line, street or lane.
- ii) A zone boundary shown approximately in the centre line of a street or lane is considered to be the centre line of the street or lane.
- iii) Unless the location of a zone boundary is specified by dimensions on the zoning map, a zone boundary which lies within a lot shall be fixed by the scale of the Schedule upon which it is shown.
- iv) A zone boundary shown following approximately a shoreline of a river or the centre line of a creek, stream or channel is considered to be the shoreline or centre line and moves with any natural change in the shoreline.
- v) Where lands have not been identified as being in a zone on the Schedules, they shall be deemed to be in the Open Space (OS) Zone.

2.5 COMPLIANCE WITH ZONING BY-LAW

No person shall change the use of any building, structure or land, or erect or use any building or structure or occupy any land or building, except in accordance with the provisions of this By-law.

Any use not specifically permitted by this By-law shall not be permitted in the Township of Mulmur.

No person shall use any land or locate any building or structure such that the uses, buildings or structures on other lands would no longer comply with the provisions of this By-law.

Any use specifically listed as a permitted use under any zoning category in this By-Law shall only be permitted in another zone if it is also specifically listed as a permitted use in that zone.

2.6 HOLDING PROVISIONS

Where a zone symbol is followed by a dash and the letter "H" (for example: M1-H), the lands shall only be used for existing uses and the expansion of those uses as of the date of adoption of this By-law.

Council may pass a By-law pursuant to Section 36 of the *Planning Act* R.S.O. 1990 to remove the Holding (H) symbol, thereby placing the lands in the zone indicated by the zone symbol when all of the applicable following requirements have been met:

- i) the appropriate sanitary services and water supply have been approved to service the land;
- ii) all conditions of consent or subdivision have been fulfilled;
- iii) where the lands are subject to site plan control under Section 41 of the *Planning Act* R.S.O. 1990, a site plan agreement in accordance with the provisions of the *Planning Act* has been registered on the title of the lands;
- iv) the required permits from all other approval agencies have been issued, and;
- v) the financial requirements of the Township have been satisfied; and
- vi) any other site-specific holding provision included through site specific zoning.

2.6.1 Business Park Holding Symbol

No person shall, within any Business Park Gateway (BP-G), Business Park Core (BP-C) or Business Park Transition (BP-T) Zone with a Holding Symbol, until the Holding Symbol ("H") has been removed. The "Holding (H)" symbol may be removed when the following applicable requirements and conditions have been fulfilled;

- The proposed end-use has been identified and Council is satisfied that it is in conformity with the Official Plan and this By-law and in particular, the provisions outlined above;
- Final Plan of Subdivision or consent approval has been given or a part lot control by-law has been passed for the parcel upon which a use is proposed and the conditions of approval have been met;
- The studies, reports, plans and other supporting information required, as outlined in the Township's Official Plan, have been submitted in a form acceptable to Council;
- A site plan acceptable to Council has been submitted, and a site plan agreement has been executed by the owner and approved by Council;
- All required site services are available and have been approved and installed, or arrangements satisfactory for their installation have been made;
- Entrance approval for the proposed use has been obtained from the appropriate road authority and;
- A building and Land Use permit has been obtained from the Ministry of Transportation, if applicable.

2.7 OVERLAY ZONES

2.7.1 Waste Disposal Sites and Former Waste Disposal Sites Overlay

Where lands are identified on Schedule B as being subject to the “Waste Disposal Site Restricted Overlay” zone, no habitable building or structure shall be permitted until the appropriate studies have been undertaken to the Township’s satisfaction.

No building permit shall be issued for any building or structure within 3kms of a waste disposal site and former waste disposal site where significant impacts have been encountered within the 500m Restricted Overlay until the applicable requirements have been satisfied. Where the requirements of the Ministry of the Environment respecting the need for a D4 study to evaluate the potential for impacts from any landfill site or former landfill site exceed the Township’s overlay zone, the Ministry’s requirements shall apply.

2.7.2 Whitfield NAVCAN Navigation Beacon Overlay (8km Radius)

Notwithstanding the provisions of this by-law, to the contrary, where lands are identified on Schedule B as being subject to the “Navigation Beacon Overlay” zone, no building permit shall be issued for any building or structure that is greater than 12m in height. Such buildings or structures may only be permitted subject to the requirements of Transport Canada respecting the height of any building or structure and where the applicable requirements have been satisfied to the satisfaction of Transport Canada. This provision applies to all such structures within a distance of 8 km. of the Whitfield navigation beacon.

2.7.3 WELLHEAD PROTECTION SOURCE PROTECTION OVERLAY

Notwithstanding any provision of this By-law to the contrary, no development or use of any lot or part of a lot within any wellhead protection area is permitted that is not permitted in an approved Source Water Protection Plan under the *Ontario Clean Water Act*.

Notwithstanding the generality of the foregoing, the following uses shall be prohibited within the following well head protection areas (WHPA), unless specifically noted otherwise, and as identified on Schedule “B” to this plan:

- a) waste disposal in WHPA a, and b
- b) large (10000L) septic systems in WHPA a, and any other septic system in WHPA a and b
- c) fuel storage in WHPA a,
- d) handling and storage of organic solvents in WHPA a,
- e) Application and handling of non-agricultural, agricultural source material, commercial fertilizer and/or pesticides, and grazing, pasturing and/or outdoor confinement areas in WHPA a.
- f) Application, handling and storage of road salt in WHPA a
- g) handling and storage of snow in WHPA a,
- h) dense non-aqueous phase liquid (DNAPL) in WHPA a, b, c and d.

SECTION 3: GENERAL PROVISIONS

3.1 APPLICATION

The provisions of this section of the By-law shall apply to all lands within the Township of Mulmur unless otherwise specified.

3.2 ACCESSORY BUILDINGS, STRUCTURES AND USES

3.2.1 Permitted Purposes

Where this By-law provides that a lot may be used or a building or structure may be erected or used for a purpose, that purpose shall include any accessory building or structure or accessory use, provided the principal building, structure or use is already in existence on the lot, but shall not include the following:

- (i) any occupation for gain or profit conducted within or accessory to a dwelling unit or on such lot associated therewith, except as is specifically permitted in accordance with this By-law; or
- (ii) any building used for human habitation except in accordance with this By-law, as is specifically permitted.

Legal non-conforming uses shall be permitted to have accessory uses, buildings and structures in accordance with the provisions of section 3.2 of the By-law and the provisions of the applicable zone.

3.2.1.1 Accessory Buildings and Structures on Vacant Lands

Accessory structures shall not be permitted on vacant land, including land used for a forestry or livestock use. No building or structure of less than 10 sq m in size and no temporary or seasonal buildings and structures that are designed to be dismantled and re-erected, such as fabric or plastic covered, metal or wood framed structures, shall be constructed on a lot unless it is accessory to a legal non-conforming, or to a permitted principal building or structure already in existence on the lot. Such structures shall be subject to the requirements of Section 3.2.

3.2.1.2 Large Accessory Buildings as Principal Uses

Buildings and structures greater than 140 m² in the Countryside Area (A) zone shall be considered principal buildings and shall be for a purpose permitted by the By-law, including an *implement shed* or *livestock facility*. Buildings greater than 140 m² proposed for personal use shall require an amendment to the zoning by-law.

Note: An implement shed, by definition, must be accessory to a crop operation having a minimum of 15 ha of tillable land or accessory to a livestock facility. A new livestock facility, in accordance with the Nutrient Management Act, must have an approved NMP/S if designed for > 5NU (approx. 50m²)

For the purposes of this By-law a *livestock facility*, manure storage facility and/or anaerobic digester with an approved nutrient management plan or *implement shed* on a lot having a minimum of 15 ha of workable land shall be considered as a principal building in an Agricultural or Rural Zone.

3.2.2 Permitted Accessory Buildings and Structures

The following accessory buildings and structures are permitted in the below indicated zones, in accordance with the regulations for accessory buildings and structures. Such uses are only permitted accessory to a permitted principal building.

3.2.4 Temporary accessory uses and structures during Construction

A tool shed, construction trailer, scaffold or other building or structure incidental to construction is permitted in all Zones within the Township on the lot so long as it is necessary for the work in progress and until the work is completed or abandoned. For the purpose of this Section, abandoned shall mean the discontinuation of work for more than 30 consecutive days and/or the failure to maintain a current building permit.

Note: By-law 09-2022, as amended or replaced, regulates sign on the Municipal Right-of-way. County Roads are regulated by the County of Dufferin. MTO setbacks apply to Highway 89.

3.2.6 Swimming Pools and Fences

Regulations pertaining to pools and pool fences are contained in the Township's fence by-law, as amended. No swimming pool, water circulating, or pumping equipment shall be located within 1.5 metres to any lot line.

3.3 DWELLING UNITS, ADDITIONAL SINGLE DWELLINGS & ATTACHED ACCESSORY DWELLING UNITS

Except as permitted in this By-law, no more than one dwelling unit shall be permitted on any lot. Where permitted in this By-law, the following shall apply:

3.3.1 Water and Sewage Services Required

No person shall erect or use a building or structure for a residential use on any lands unless approved sewage disposal and water supply services are available to the lot.

3.3.2 Detached Additional Single Dwellings

Where an additional detached single dwelling is permitted, such dwelling shall comply with the following provisions:

- i) Minimum lot size shall be 2.0 ha.

- ii) The gross floor area of the additional single dwelling shall be no more than 50% of the gross floor area of the principal single detached dwelling, and no more than 80 m², and shall not exceed the lot coverage for all accessory structures in subsection 3.2.3.
- iii) Such dwelling shall only be permitted where there is a site plan agreement between the owner and Township.
- iv) A detached accessory dwelling unit shall not be permitted if there is already more than one dwelling unit.

3.3.3 Attached Accessory Dwelling Unit

Where an attached accessory dwelling unit is permitted, the following provisions shall apply;

- i) Minimum lot size shall be in accordance with section 3.10.2.3, Existing Undersized Lots of Record.
- ii) Water and septic services shall be adequately sized to allow for the accessory dwelling unit
- iii) Accessory dwelling unit and main dwelling shall be attached either through a common ceiling/floor or wall having a minimum face area of 12 m². A common breezeway or any other form of roof connection or hallway shall not be considered attached.
- iv) An attached accessory dwelling unit will not be permitted if there is already a second dwelling unit.

3.3.4 Garden Suite

A *Garden suite* may be permitted as a temporary use in all zones that permit a dwelling unit provided that:

- i) the lot has sufficient sewage and water services to accommodate the unit;
- ii) the unit has a minimum gross floor area of 45 sq m and a maximum of 75 sq m.
- iii) there is an agreement between the owner and Township that provides for the removal of the building when it is no longer required.

3.3.6 Mobile Homes

Mobile homes may only be used as a dwelling unit as an additional single dwelling (ASD) in an Agricultural Zone that permits an ASD and may be permitted as a temporary use under a temporary use by-law and where there is an agreement between the owner and Township that provides for the removal of the *mobile home* when it is no longer required.

3.3.7 Habitation in Camping Trailers and Recreational Vehicles

Except as may be permitted by this by-law, the use of a *recreational vehicle*, travel trailer, motor home, *mobile home*, truck camper, camper trailer or similar transportable unit such as a converted school or transit bus, for any residential purpose, whether permanently or on a temporary, intermittent or occasional basis, is prohibited.

3.3.8 Temporary Trailer Habitation during Dwelling Construction

The placement of one motor home, travel trailer or camper for the purpose of providing temporary accommodation for an owner and the immediate family of an owner of a lot upon which a principal dwelling unit is being constructed may be permitted while the dwelling is being constructed, subject to:

- i) water and sewage services being provided in accordance with the requirements of the Dufferin County Building Department;
- ii) the unit being approved, and suitable for human habitation, and equipped with smoke detector(s);
- iii) the unit being removed on or before nine months following the date of issuance of the building permit for the principal dwelling by the Dufferin County Building Department.

3.3.9 Dwelling Units in Non-Residential Buildings

Notwithstanding any other provision of this By-law to the contrary, no dwelling unit shall be located within a portion of a non-residential building which has flammable fluids or hazardous materials stored in bulk for commercial purposes or in conjunction therewith, and without limiting the generality of the foregoing, a dwelling unit shall not be permitted within a building used for a motor vehicle service station, a *motor vehicle repair garage*, a *motor vehicle body shop* or a marine service shop. Where an accessory attached dwelling unit is permitted to be located within non-residential building, such dwelling unit shall be located behind or above the non-residential use.

3.3.10 Minimum Gross Floor Area of Dwelling Units

Unless otherwise specifically permitted by this by-law, a dwelling unit shall have a minimum gross floor area of 110 sq m, and a minimum combined gross floor area, if more than one storey, of 140 sq m. Basement floor space shall not be permitted to form part of this minimum gross floor area requirement unless the ground level on the exterior of the dwelling is at or below the grade of the basement floor and there is a walk-out or entrance from the exterior to that level of the structure, in which case the area that is considered habitable floor space may be included, but not more than 50 percent of the gross floor area on that level.

Where permitted, a detached unit accessory to a principal non-residential permitted use shall have a minimum building floor area of 110 sq m and an apartment unit accessory to a principal non-residential permitted use shall have a minimum building floor area of 90 sq m.

3.4 ENCROACHMENTS AND HEIGHT EXCEPTIONS

The following buildings, structures and fixtures shall be permitted to encroach into the required minimum yard requirement in accordance with the following:

Building, Structures & Fixtures	Permitted Encroachment
drop awnings, clothes poles, garden trellises, retaining walls less than 1.0 m above the average finished grade, fences, signs or similar uses which comply with the By-laws of the Township	In any required interior, side or rear yard
satellite antennas less than 1.0m in diameter	Zero setback
unenclosed fire escapes	1.5m into a rear yard
decks, steps, balconies and patios with a floor height less than 1.0m above finished grade	a maximum distance of 2.0m but shall not be closer than 1.5m to any lot line
sills, chimneys, cornices, eaves, gutters, parapets, pilasters, windows or other ornamental structures	may project into any required yard a maximum distance of 0.6 m
silo, church spire, belfry, flag pole, clock tower, chimney, water tank, <i>non-commercial wind turbine</i> , windmill, radio or television tower or antenna, air conditioner duct, grain elevator, incidental equipment required for processing, external equipment associated with internal equipment or machinery and conveying equipment	No maximum height
<i>Non-commercial Wind Turbine</i>	Maximum height shall be 50% of the distance achieved between the base of the turbine and the closest lot line, and in no instance shall the hub height be greater than 36m
<i>Non-commercial Solar Panel</i>	Permitted in all yards except the front and exterior side yards but must

	maintain a minimum side yard and rear yard setback of 1.5m

3.5 ENVIRONMENTAL AND HAZARD SETBACKS

3.5.1 Watercourses and Ponds

All buildings or structures shall be located a minimum of 30 metres from the high water mark of any lake or pond of more than 0.2 ha in size or the channel of any permanently flowing river, stream or creek with a drainage area of greater than 125 ha and a minimum distance of 15 m from a pond of less than 0.2 ha in size or a watercourse with a drainage area of less than 125 ha

3.5.2 Steep Slopes or Ravines

No building permit shall be issued for any building or structure on or within a distance of 15 m from the top of bank or toe of any slope with a gradient of more than 30 percent and a height greater than 6.0 m unless a geotechnical report acceptable to the Township and the NVCA has been approved.

3.5.3 Wetlands

No building permit shall be issued for any building or structure within any wetland or within a distance of 30 m from the edge of any Provincially Significant Wetland. No building or structure may be permitted closer than 30 m to any other wetland unless an environmental impact study acceptable to the Township has been approved.

3.6 HOME INDUSTRY

Where a *home industry* is permitted as an accessory use to a single detached dwelling the following provisions shall apply:

- i) All development shall be subject to site plan control.
- ii) Such *home industry* may be located in any accessory building located on a lot on which a dwelling is in existence, provided the total gross floor area utilized by the *home industry* does not exceed a maximum of 140 sq m.
- iii) There shall be no *outdoor storage* of goods, materials or articles.
- iv) Only currently licensed motor vehicles, associated with the *home industry* may be parked or stored on the lot in an interior side or rear yard.
- v) Additional parking shall be provided in accordance with Section 3.14.

3.7 HOME OCCUPATION

Where a *home occupation* is permitted the following provisions shall apply:

- i) In addition to persons living on the premises not more than one (1) employee shall be engaged in the business and working from the dwelling. In the case of a dentist, doctor or other health care providers there may be one additional employee permitted.
- ii) There shall be no goods, wares, or merchandise offered for sale or rent on the premises other than what is produced on the premises
- iii) There shall be no *outdoor storage* of goods, materials, containers or animal enclosures

- iv) Not more than 25 percent of the gross floor area not including the basement of the dwelling shall be used for the purposes of the *home occupation*, and such *home occupation* shall be conducted entirely within the dwelling.
- v) There shall be no mechanical or other equipment used except that which is customarily used in a dwelling for domestic or household purposes or for use by a hairdresser or barber, dentist, drugless *practitioner's clinic*, physician, or other professional person.
A *home occupation* shall not include a *boarding house*, an eating establishment, or a facility offering accommodation or meals other than a *Bed and Breakfast* establishment. A catering business shall be permitted but a restaurant, including take-out shall not be permitted. Pick-up of frozen foods and bulk bakery items prepared on site, is permitted.
- vi) A *home occupation* shall be secondary to the principal residence and shall not change the residential character of the lot.
- vii) One *home occupation* only shall be permitted in conjunction with a single detached dwelling.
- viii) Additional parking shall be provided in accordance with Section 3.14.

3.8 LIVESTOCK AND MINIMUM DISTANCE SEPARATION

3.8.1 Livestock Facilities

Notwithstanding any other yard or setback provisions in this By-law to the contrary, no residential, institutional, commercial, industrial or recreational use, located on a separate lot and otherwise permitted by this By-law shall be erected or altered unless it complies with the Ministry's Minimum Distance Separation (MDS I) calculations and Guidelines related thereto.

Notwithstanding any other yard or setback provision in this By-law to the contrary, no *livestock facility*, anaerobic digester or manure storage facility shall be erected or expanded unless it complies with the Ministry's Minimum Separation Distance (MDS II) calculations and Guidelines related thereto.

For the purpose of implementing MDS, cemeteries shall be considered a Type A land use.

3.8.2 Livestock on Small Lots and in Existing Barns

Except where permitted by this by-law, no lot of less than 2.0 ha in size shall be used for any agricultural purpose, including the keeping of livestock.

Notwithstanding any other provision of this by-law to the contrary, where a barn legally exists on a lot of under 2.0 ha in size, the barn may be used to house livestock in numbers not exceeding its design capacity, provided MDS requirements are met and there is land adjacent that has been secured by a written agreement between the owner and adjacent owner(s) for pasturing the livestock and for the proper disposal of nutrients (animal waste), in accordance with best practices and, where applicable, *the Nutrient Management Act*. A copy of the agreement shall be filed with the Township annually. MDS shall not apply to a new dwelling on an existing vacant lot that cannot meet MDS.

By-law 19-18 regulates coops and the requirements for hen husbandry

3.8.3 ON-FARM DIVERSIFIED USES

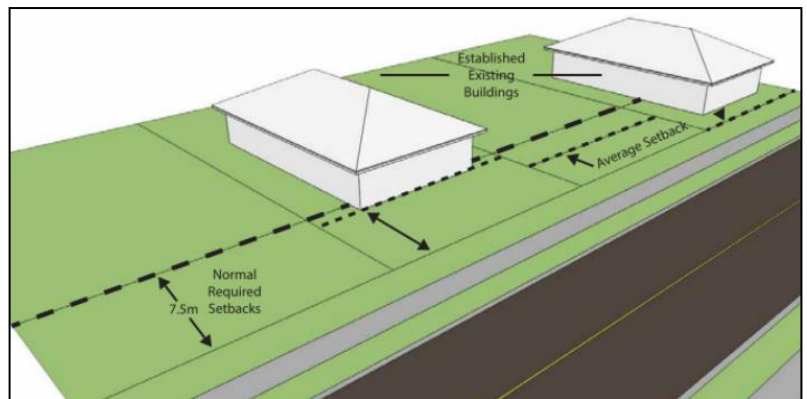

Where permitted, *on-farm diversified uses* shall be subject to the following provisions:

- i) The on-farm diversified use (including lands for buildings, structures, landscaping, servicing, buffering, parking) may occupy no more than 2% of the property on which the uses are located, to a maximum of 1 ha.
- ii) Maximum ground floor area of all buildings and structures building shall be 20% of the 2% of the lot area, to a maximum of 200 m².
- iii) The floor area of farm building that existed prior to 2012 may be used in the on-farm diversified use and calculated at 50% floor area towards the maximum 20% of the 2% lot area.
- iv) All on-farm diversified uses shall be subject to site plan approval.
- v) Except as otherwise permitted as an agricultural use, including but not limited to agri-tourism and farmer's market, all business use shall be conducted within a completely enclosed structure.
- vi) No outdoor storage shall be permitted.
- vii) An assembly hall any other event facility will only be considered through a site-specific amendment, to this by-law, or a special event permit.

3.9 LOT PROVISIONS AND APPLICATIONS

3.9.1 Established Building Line in Residential Zone

Notwithstanding any other provisions of this By-law, to the contrary, where a dwelling is to be erected in a Residential Zone between existing dwellings on the same street, such dwelling may be built with a front yard and setback equal to the average yard of the adjacent dwellings on the same side of the street within 100 m of the lot.

3.9.2 Frontage on Improved Public Road

No person shall erect any building or structure in any Zone after the date of passing of this By-law, unless the lot upon which such building or structure is to be erected has frontage upon an *improved public* road or an agreement is in place between the owner of the lot and the Township that provides for the maintenance of the road by the owner, at his/her expense, so that access by emergency vehicles during all weather conditions and at all times of the year is available, and such building or structure complies with the setback provisions of this By-law. This does not necessarily imply that the Township is, in any way, compelled to enter into any such agreement.

The above provisions shall not apply to prevent the erection of a permitted building or structure on a lot in a registered Plan of Subdivision where a properly executed Subdivision Agreement has been entered into with the Township, notwithstanding that the street or streets will not be assumed by the Township until the end of the maintenance period, nor shall it apply to prevent the enlargement, extension, renovation, reconstruction or other structural alteration of an existing building or structure which is located on a lot which does not have frontage upon an *improved public* road, provided the use of such building or structure does not change and is permissible within the zone in which it is located.

3.9.3 Minimum Requirements Met When Rounded to One Decimal Point

Minimum lot dimensions and lot area requirements and minimum set-back requirements shall be deemed to conform if the frontage, set-back or lot area, expressed to two decimal points, when rounded off to one decimal point, is equivalent to the minimum requirement.

3.9.4 Multiple Zones on One Lot

Where a lot is divided into more than one zone under the provisions of this By-law, each such portion of the lot shall be used in accordance with the zone provisions of this By-law for the applicable zone as if it were a separate lot. The most restrictive zoning requirements for lot area and lot frontage shall be applied to the entire lot.

3.9.5 Reduction of Requirements

No person shall change the purpose for which any land, building or structure is used or erect any building, structure, or addition to any existing building or structure, or reduce the area of any lot, if the effect of such action is to cause the original, adjoining, remaining or new building, structure or lot to be in contravention with this By-law.

3.9.6 Through Lots

Where a lot, which is not a corner lot, has lot frontage on more than one street, the setback and front yard requirements contained herein shall apply on each street in accordance with the provisions of the zone or zones in which such lot is located.

3.9.7 Street Centre Lines

Where a lot abuts a road allowance less than 20 m in width, the minimum setback from the street line shall be 10 m from the centre line of the street plus the required front yard or exterior side yard within the zone.

Where a lot abuts a County Road or Provincial Highway, the minimum setback shall be 15 m from the centre line of the street plus the required front yard or exterior side yard within the zone.

3.10 LEGAL NON-CONFORMING AND NON-COMPLYING

3.10.1 NON-CONFORMING USES

3.10.1.1 Continuation of Existing Uses

The provisions of this By-law shall not apply to prevent the use of any existing lot, building or structure for any purpose prohibited by this By-law if such existing lot, building or structure was lawfully used for such purpose, prior to the effective date of this By-law and provided that the lot, building or structure continues to be used for that purpose. Where the use ceases to exist for a period of two years, the use will be deemed to have been discontinued.

3.10.1.2 Permitted Exterior Extension, Alteration and Reconstruction

The exterior of any building or structure which was lawfully used prior to the effective date of this By-law for a purpose not permissible within the zone in which it is located, prior to the effective date of this By-law, shall not be enlarged, extended more than 0.2 m, reconstructed or otherwise structurally altered, unless such building or structure is thereafter to be used for a purpose permitted within such zone.

3.10.1.3 Permitted Interior Alteration

The interior of any building or structure which was lawfully used for a purpose not permissible within the zone in which it is located prior to the effective date of this By-law, may be reconstructed or structurally altered, in order to render the building or structure more convenient for the existing purpose for which it was lawfully used.

3.10.1.4 Restoration to a Safe Condition

Nothing in this By-law shall prevent the strengthening or restoration to a safe condition of any existing, legal non-conforming building or structure or part thereof, provided that the strengthening or restoration does not increase the building height, size or volume or change the existing, lawful use of such existing building or structure unless these changes are necessary to provide for flood proofing.

3.10.1.5 Building Permit Issued

The provisions of this By-law shall not apply to prevent the erection or use, for a purpose prohibited by this By-law, of any building or structure, the plans for which have, prior to the date of passing of this By-law, been approved by the Chief Building Official, so long as the building or structure, when erected, is used and continues to be used for the purpose for which it was legally erected.

3.10.2 Non-Complying Lots, Buildings, Structures and Uses

3.10.2.1 Permitted Buildings or Structures

Where a building or structure is located on a lot having less than the minimum frontage and/or lot area, and/or having less than the minimum setback and/or side yard and/or rear yard required by this By-law, the said building or structure may be enlarged, reconstructed, repaired and/or renovated provided that:

- i) the enlargement, reconstruction, repair and/or renovation does not further reduce a front yard, and/or side yard and/or rear yard and/or lot coverage to less than the minimum required by this By-law;
- ii) the building or structure is being used for a purpose permissible within the zone in which it is located; and,
- iii) all other applicable zone provisions of this By-Law are complied with.

3.10.2.2 Reconstruction of Existing Building

Nothing in this By-law shall apply to prevent the reconstruction of any permitted building which is accidentally damaged or destroyed by causes beyond the control of the owner. Such permitted building may be reconstructed in accordance with the previously existing standards, even if such did not conform with one or more of the provisions of this By-law provided that the reconstruction occurs within 24 months of the damage being done, but the non-compliance may not be further increased.

3.10.2.3 Existing Undersized Lots of Record

Where a lot, having a lesser lot area and/or lot frontage than required herein, existed on the date of passing of this By-law, or where such a lot is created by a public authority, such smaller lot may be used and a permitted building or structure may be erected, altered and/or used on such smaller lot provided that the lot has at least 30 m of frontage, an area of at least 0.2 hectares, is located on a maintained public road and all other applicable zone provisions of this By-law are complied with.

Lots which have been increased in size following passing of this By-law to comply with the above minimum frontage and lot area standards may also be used in accordance with this provision.

3.10.2.4 Non-conformity with lot standards due to land taken for Municipal or other public purposes.

Notwithstanding any requirement for a lot in this by-law, a reduction in the minimum lot area, lot frontage or front or exterior side yard set-back requirement resulting from the taking of land for municipal or other public purpose such as a road widening, daylighting triangle, parkland or other land acquisition, or any such similar purpose, whether conveyed voluntarily, taken as a condition of approval under the *Planning Act* or acquired through expropriation, shall be deemed to be in conformity with this by-law provided the reduction is not greater than 10 percent and the lot frontage and lot area requirements for existing undersized lots of record set out in Section 3.10.2.3 above are met.

3.11 USES PERMITTED IN ALL ZONES

3.11.1 Permitted Uses

Unless specifically prohibited, the following uses shall be permitted in all zones:

- i) Existing agricultural crop activities
- ii) *Legal non-conforming* uses in accordance with Section 3.10.1
- iii) *Legal non-complying* uses in accordance with Section 3.10.2
- iv) *Resource Management*
- v) *Passive recreational uses*
- vi) *Public uses*, public service buildings and structures provided by the Township, County or any Public Authority including any Department or Ministry of the Government of Canada or Ontario or any Conservation Authority established by the Government of Ontario
- vii) Utility infrastructure provided by a public utility provider, telephone, or cable company and any natural gas distribution system operated by a Company distributing gas to the residents of the Township, which company possesses all the necessary powers, rights, licenses and franchises.

3.11.2 Location Restrictions

Notwithstanding any other provision contained in this By-law to the contrary, where a *public use* is specifically mentioned as a permitted use within a specific zone classification, then such *public use* shall only be permitted within that zone or zones and shall comply with the zone provisions of the zone or zones in which the public use is permitted, save and except that there shall be no minimum lot area or lot frontage requirement. This provision shall not apply to Crown agencies.

3.11.3 Provisions

- (i) No goods, materials or equipment shall be stored outside a building or structure located on the lot, except as may otherwise be permitted under this By-law and shall not be stored closer than 60 m from a Residential Zone.
- (ii) The zone provisions of the zone in which the use is located shall be complied with except as otherwise permitted through this section of the By-law;

- (iii) No building or structure erected in accordance with the provisions of this Section shall be used for the purposes of an office, maintenance or works depot.

3.11.4 Streets and Service Installations

Nothing in this By-law shall prevent land from being used as a street or highway, or prevent the installation of a water main, sanitary sewer, storm sewer, gas main, pipeline, overhead or underground hydro, communication line or high voltage electrical facilities owned, operated and maintained by Hydro One or an electricity service provider or their successors.

3.12 PROHIBITED USES AND USE-SPECIFIC PROVISIONS

In addition to the specific provisions below, any use which is defined in Section 5 of this by-law shall be prohibited except where explicitly permitted.

NOTE: Section 5, Definitions, includes an abattoir, airport, animal shelter, boarding house, camping establishment, multiple residential housing forms, laundromat, outdoor storage, shooting range, waste disposal area. Also see section 3.3.7 which prohibits sleeping in RVs.

3.12.1 FILL OPERATIONS, ADDITION OR REMOVAL OF FILL

The addition or removal of fill or operation of a fill business is prohibited, except in accordance with Section 4.13, Extractive Industrial (MX) zone on lands zoned (MX) and licensed from the Ministry of Natural Resource or as provided for in the Township's Fill By-law, as amended.

NOTE: By-law 9-2015 regulates fill activities

3.12.2 HIGH IMPACT RECREATIONAL USES

Except where permitted by this by-law, the following activities, developments and uses, as well as all other uses of a similar nature shall be prohibited, and may only be permitted by site-specific amendment to this by-law:

- *Outdoor education centre;*
- *Camping Establishment*
- Fishing or hunting camp or club;
- *Resort;*
- *Golf course;*
- *Shooting Range*
- Paintball or paintball range;
- Auto racing or any other form of motorized vehicle racing or race track;
- Public or commercial motorcycle or ATV riding or racing, race course or trail; and
- Related and ancillary short term (temporary) residential accommodation.

Note: Outdoor recreational facilities and activity centers are permitted in many zones and include a variety of uses.

3.12.2 NOXIOUS TRADE AND DANDEROUS USES

Except as may otherwise be specifically permitted under this By-law, no use shall be permitted which, from its nature or the materials used therein, is defined as a noxious trade, business or manufacture under the *Health Protection and Promotion Act*, as amended, and the Regulations promulgated thereunder.

Uses involving the handling, storage, processing, disposal, hauling or transfer of any hazardous, dangerous, corrosive, explosive, flammable, toxic or biological materials, substances or wastes are not permitted.

3.12.4 OUTDOOR STORAGE

Outdoor storage shall be prohibited except where specifically permitted. Where *outdoor storage* is permitted by this by-law and where a building or structure exists on the lot, *outdoor storage* is not permitted in a front yard between the front of the building and the street or in that portion of an exterior side yard from a line extending from the rear of the building to the street opposite the side of the building and the front of the lot.

Where *outdoor storage* is permitted by this by-law, the area used for *outdoor storage* shall be fully enclosed with a fence, and securely gated. Subject to any limitation contained in the Township's Fence By-law, the fence shall be of a height sufficient to screen the *outdoor storage* area from view from adjacent roads and visually sensitive uses such as a residence, *school* or commercial business on any adjacent lot. Vegetative buffers and berms may be used in combination with the fence to provide appropriate screening.

3.12.5 PEAT EXTRACTION, PITS AND QUARRIES

The excavation of peat, establishment or operation of *pits* or quarries is prohibited within the area covered by this By-law, except in the locations permitted by this By-law, and in accordance with the provisions of this By-law. No person shall use land or erect any building or structure for the purpose of processing, washing, screening, sorting or crushing rock, sand, gravel and/or peat except as expressly provided for in this By-law.

3.12.6 PROPANE STORAGE AND HANDLING

Propane operators are required to define a hazard distance applicable to their propane operation referenced in a risk and safety management plan required under *Ontario Regulation 211/01* made under the *Technical Standards and Safety Act, 2000*, as amended prior to the commencement of the operation.

No building permit shall be issued for any building or structure that is subject to the requirements of *Ontario Regulation 211/01* (Propane Storage and Handling) made under the *Technical Standards and Safety Act, 2000*, as amended, until the applicable requirements have been satisfied. This provision shall apply to all propane operations and to all new uses within the propane hazard distance referenced in any risk and safety management plan required under the regulations. Propane storage is permitted as an accessory use without an amendment to this plan. Propane Storage as a principal use requires a zoning amendment.

3.12.7 WIND TURBINES AND LARGE SCALE SOLAR

Except where explicitly permitted by this by-law, any *Commercial Wind Turbine*, *Commercial Bio-Energy Project* and *Commercial Solar Project* shall be prohibited, and may only be considered by a site specific amendment to this by-law.

3.13 SPECIAL EVENTS

One-time, annual, commercial events or special events, including motor vehicle rallies may be permitted in accordance with the Township's special event by-law, as amended. Where an event has become a land use opposed to a special event, Council may consider approval through a temporary use by-law.

By-law xx-2015, as amended or replaced, prohibits rallies and regulates events. Permits are required for events that are not specifically permitted within the zoning.

3.14 SITE PLAN DEVELOPMENT PROVISIONS

3.14.1 LOADING SPACE REQUIREMENTS

By-law 21-18, as amended or replaced designates the Township, subject to Site Plan Control.

3.14.1.1 Loading Space

A Loading Space, being an off-street space, for the temporary parking of a commercial vehicle while loading or unloading merchandise or materials, is required under this By-law, in accordance with the Loading Space Requirement Table set forth herein, and the owner of every building or structure erected for any purpose involving the receiving, shipping, loading or unloading of persons, animals, goods, wares, merchandise or raw materials shall provide and maintain loading and unloading spaces on the lot accordingly.

3.14.1.2 Minimum Loading Space Dimensions

Each loading or unloading space shall be 15 m in length, 3.5 m in width and have a vertical clearance of at least 4.3 m.

3.14.1.2 LOADING SPACE REQUIREMENT TABLE

Type or Nature of Use	Limits	Minimum loading space requirement
Industrial or commercial	up to 300 sq m	1 loading space
	300 to 1,000 sq m	2 loading spaces
	over 1,000 sq m	1 additional space/1,000 sq m
Multiple Residential	up to 10 dwelling units	None
	10 to 30 dwelling units	1 loading space
	Over 30 dwelling units	one additional space per 30 dwelling units
Institutional	Less than 30 occupants	None
	More than 30 occupants	1 loading space

3.14.1.3 Access

Access to loading spaces shall be by means of a driveway of at least 3.5 m in width contained on the lot on which the spaces are located and leading to an *improved public* road.

3.14.1.4 Loading Space Surface

Driveways, loading spaces, and related aisles and turning areas shall be maintained with a stable surface that is treated to prevent the raising of dust. Such loading facilities shall, before being used, be surfaced with asphalt, concrete, or crushed stone, gravel or brick and shall include provisions for drainage facilities.

3.14.1.5 Location

Required loading spaces shall be located on the same lot as the building in the interior side or rear yard unless such space or spaces are removed from the street line a minimum distance of 15 m.

3.14.1.6 Additions to or Change in Use of Existing Buildings

The loading space requirements referred to herein shall not apply to any building in existence at the date of passing of this By-law so long as the gross floor area, as it existed at such date, is not increased by more than 300 sq m. If an addition is made to the building or structure which increases the gross floor area or the

use of the building changes, then additional loading spaces shall be provided as required by this Section, in accordance with the provisions of Section 3.14, the Loading Space Requirement Table, for such addition.

3.14.2 PARKING AREA REGULATIONS

3.14.2.1 Parking Space Requirements

The owner of land, building or structure erected or used for any of the purposes hereinafter set forth shall provide and maintain parking spaces for the sole use of the owner, occupant, or other persons entering upon or making use of the said premises, from time to time.

Parking spaces are required under this By-law, in accordance with Section 3.14, the Parking Space Requirement Table. Where the calculation of required spaces exceeds a whole space by more than 0.25, the required spaces shall be the next whole number.

3.14.2.2 Parking Area Surface

Non-Residential parking spaces, or multiple unit residential parking areas and driveways connecting the parking spaces or area with a street shall be maintained with a stable surface that is treated so as to prevent the raising of dust. Such parking spaces or areas shall, before being used, be constructed of asphalt, crushed stone, gravel, concrete or similar material and shall include provisions for drainage facilities.

Parking spaces for more than four vehicles shall only be required to be surfaced with concrete, asphalt or brick, where municipal design guidelines requiring such hard surfacing are in place (such as in the Business Park Gateway zone) and/or where hard surfacing is required pursuant to the provisions of a site plan agreement.

3.14.2.3 Ingress and Egress Provisions

Ingress and egress to and from the required parking spaces and areas shall be provided in accordance with the following:

- i) by means of an unobstructed driveways or passageways of at least 3 m in width but not more than 9 m in perpendicular width.
- ii) The maximum width of any joint ingress and egress driveway ramp measured along the street line shall be 9 m.
- iii) The minimum distance between any two driveways on one lot or between a driveway and an intersection of street lines measured along the street line intersected by such driveway shall be 7.5 m.
- iv) The minimum angle of intersection between a driveway and a street line shall be 60 degrees.
- vi) Driveways shall not be closer than 3.0m to an interior side lot line in a Hamlet Residential, Estate Residential and 7.0 m in a Rural Residential, Rural Commercial or Countryside zone.

3.14.2.6 More Than One Use on a Lot

When a building or structure accommodates more than one type of use, the parking space requirement for the whole building shall be the sum of the requirements for the separate parts of the building occupied by the separate types of use.

3.14.2.7 Parking Area Location on Lot

Notwithstanding the yard and setback provisions of this By-law to the contrary, parking areas shall be permitted in the required yards or in the area between the street line and the required setback except that, where a Commercial Zone abuts a Residential Zone a 3.0 m planting strip shall be maintained between the parking area and the lot line.

3.14.2.8 Additions to, or Changes in the Use of Existing Buildings and Structures

The parking space requirements referred to herein shall not apply to any building or structure lawfully in existence on the date of passage of this By-law, so long as the gross floor area is not increased and the use or number of dwelling units does not change. If any addition is made to a building or structure which increases its gross floor area, then parking spaces for the addition shall be provided as required by the Parking Space Requirement Table. Where a change in use occurs, parking spaces shall be provided for such new use in accordance with the requirements of Section 3.14.10, the Parking Space Requirement Table.

3.14.2.9 Parking Space Standards and Requirements

Parking spaces shall have a minimum width of 3.0 m and a minimum length of 6.0 m.

The number of on-site parking spaces to be provided for the types of uses listed below are as follows, except where a parking study has recommended a different number of parking spaces, such requirement shall apply:

3.14.2.10 PARKING SPACE REQUIREMENT TABLE

Land Use	Parking Requirement
Residential	3 parking spaces per single detached dwelling unit and 2 parking space or any other unit, where one space may be located in a carport or, provided such garage or carport has an unoccupied rectangular space, having a minimum length of 3 m and minimum length of 6m
Commercial/ Institutional	one parking space plus one per 30 m ² of gross floor area
Industrial	one parking space plus one space per 50 m ² of gross floor area

3.14.2.11 Accessible Parking Requirements

Accessible parking spaces shall be provided in accordance with the Integrated Accessibility Standards, O.Reg 191/11 as amended or replaced.

3.14.3 LANDSCAPING STRIPS

3.14.1 Requirement to include Landscaping Strip

Where a lot in any Institutional, Commercial, Business Park, Industrial or Recreational Zone abuts an interior side or rear lot line of a lot in any Residential Zone, a 3.0 m wide landscaping strip adjoining such abutting lot line, or portion thereof, shall be required.

Where a lot in any Extractive or Business Park Zone abuts a Highway or County Road, or a lot zoned Rural Residential or Institutional, a 6.0m landscaping strip adjoining such abutting lot line, or portion thereof, shall be required.

Where a lot in any Waste Disposal Zone abuts a lot zoned Rural Residential or Institutional a 30.0m landscaping strip adjoining such abutting lot line, or portion thereof, shall be required.

3.14.2 Contents

Such required planting strip shall be used for no other purposes than planting a continuous, unpierced hedgerow of trees, evergreens or shrubs or other natural vegetation, or solid fencing not less than 1.5 m high, immediately adjacent to the lot line, or portion thereof, where such planting strip is required. The remainder of the planting strip shall be used for no other purpose than the planting of shrubs, flowering shrubs, flower beds, grass or a combination thereof.

3.14.3 Driveways and Walkways

In all cases where ingress and egress, driveways, launching ramps or walkways extend through a required planting strip, it shall be permissible to interrupt the planting strip within 3 m of the edge of such driveway or within 1.5 m of the edge of such walkway.

3.14.4 Landscaped Open Space

A planting strip or buffer screen referred to in this Section may form a part of any landscaped open space or yard required by this By-law.

3.14.5 SIGHT TRIANGLES

On a corner lot fronting on two public roads, within the triangular space formed by the street lines and a line drawn from a point on one street line to a point in the other street line, each such point being 12.0 m, measured along the street line from the point of intersection of the street lines, no motor vehicle, as defined in The *Highway Traffic Act*, shall be parked, no building or structure which would obstruct the vision of drivers of motor vehicles shall be erected, and no land shall be used for the purposes of growing shrubs or trees in excess of 1.0 m in height. Such triangular space may hereinafter be referred to as a “sight triangle”. Where the two street lines do not intersect at a point, the point of intersection of the street lines shall be deemed to be the intersection of the projection of the street lines or the intersection of the tangents to the street lines.

3.16 VEHICLES, TRAILERS AND EQUIPMENT STORAGE

The storage of unlicensed vehicles, truck bodies, and storage containers shall be prohibited except where explicitly permitted.

3.16.1 Storage of Unlicensed Vehicles

Parking spaces and areas required in accordance with this By-law shall be used for the parking of operative, currently licensed vehicles only and for vehicles used in an operation incidental to the permitted uses in

respect of which such parking spaces and areas are required or permitted.

3.16.2 Maximum number of Vehicles permitted on a Residential Lot

The number of vehicles not stored within an enclosed garage or accessory structure that may be stored or kept in the outdoors on a lot zoned Hamlet Residential or Estate Residential zone shall be limited to the minimum number of parking spaces required for each permitted use that is carried out on the lot, plus not more than two additional vehicles.

3.16.3 Commercial Vehicle Parking

A maximum of one commercial motor vehicle or trailer exceeding a maximum load capacity of 1,600 kg. (3,500 lbs.) may be stored or housed on the lot provided there is sufficient parking spaces for all uses on the lot and the lot is zoned Rural, Rural Residential, Agricultural or Rural Commercial.
