

Township of Mulmur
NOTICE OF ROAD CLOSURE

3rd Line E Emergency Culvert Replacement
3rd Line E Closed, between Sideroad 30 and Mulmur Nottawasaga Townline
Contract No.: 300053340.0000

The Township of Mulmur (Township) is replacing a concrete structure that has failed, located on 3rd Line East, approximately 0.35 km south of Mulmur Nottawasaga Townline. The signed detour route will utilize Sideroad 30, 2nd Line East, and Mulmur Nottawasaga Townline (see map attached to back of Notice). The Township closed this structure to through traffic in the Spring of 2021 due to public safety concerns.

The construction project consists of replacing the concrete structure with a Corrugated Steel Pipe culvert. The Contract has been awarded to Drexler Construction Limited.

Construction is proposed to commence on October 4, 2021 with the road remaining closed.

It is anticipated that the project will be complete, and the road will be reopened by November 2021. Local access will be maintained at all times for residents from either the North or the South; however, through access will not be permitted while the road is closed.

Emergency Services, Student Transportation Services, Waste Collection and Postal Service will all be notified of the road closure. Road closure notification and project information signs will be installed and maintained throughout the road closure.

We apologize for the inconvenience and thank you for your patience and cooperation during this construction period.

Should you have questions or concerns, please do not hesitate to contact the undersigned.
