**Snow Removal:** Placement of snow on roadways from private driveways is dangerous and prohibited under the Ontario Highway Traffic Act (R.S.O. 1990, c. H.8, c. 181).

**Garbage:** Please place all garbage at the end of your driveway, off the road, and remove all waste containers from the roadways in a timely manner following the removal of waste on Mondays.

**Parking:** Between December 1 to March 31 all overnight parking on any municipal road is prohibited.

**Mailboxes:** It is the responsibility of the owner of the mailbox to clear the snow away so that Canada Post has access. Heavy wet snow and ice can have enough force to damage a mailbox but this damage is outside of the snowplow operator's control and responsibility. Please ensure that your mailbox is securely attached to a wood post embedded into the ground. The Township will only replace mailboxes that are physically damaged by a plow. Any other damages are the responsibility of the owner. Costs to repair a plow damaged by reinforced mailboxes will be the responsibility of the land owner.
