

Program Overview

The Honeywood Hockeyville Equipment Loan Program (Honeywood HELP) is a community focused initiative led by the Township of Mulmur and sponsored by Kraft Hockeyville, to ensure every child can experience the game of hockey.

This program provides free access to essential hockey equipment for youth who are interested in trying the sport for the first time, as well as for families who may face financial barriers to purchasing equipment. By removing the cost barrier, Honeywood HELP aims to make hockey more accessible, inclusive, and welcoming for all.

Participants can borrow a full range of hockey gear for a set loan period, allowing them to safely participate without the upfront investment. Equipment is available in a variety of sizes to suit different age groups and skill levels.

Through Honeywood HELP, the Township of Mulmur is proud to support young athletes in building confidence, developing skills, and becoming part of the Honeywood Hockeyville community.
