WHEREAS the current Noise Bylaw in Mulmur (28-2020) exempts noise arising from fireworks on Victoria Day and Canada Day from being a contravention; and

WHEREAS Mulmur is a rural township with significant wildlife, many farms housing livestock, families with pets, and possible residents suffering from PTSD; and

WHEREAS the research unquestionably supports the significant risk of harm to animals and humans from both the sound associated with the fireworks and the toxic debris left behind; and

WHEREAS even though low-noise pyrotechnics may be an option to prevent the fear and anxiety associated with the noise, it still leaves the toxic debris which will poison any animal when ingested; and

WHEREAS Mulmur values the health and well-being of our residents, livestock, and wildlife over the enjoyment of recreational fireworks;
