The State of Business in Dufferin – a conversation with local political and business leaders

Thursday, February 3, 2022 | 9am | Zoom

Join us for an informal chat with local business and political leaders.

Hear from Dufferin County Warden and Shelburne Mayor, Wade Mills, Orangeville Mayor, Sandy Brown, and Mono Mayor, John Creelman.

Learn what our municipalities are doing to help small businesses, and share your concerns and success stories with the business community.

Register - <https://business.dufferinbot.ca/events/details/the-state-of-business-in-dufferin-2368>

Demand for rapid tests has been incredible at our Chamber and all those participating across the province. DBOT has distributed over 30,000 kits so far, and province-wide over 7 million tests have been distributed through the Ontario Chamber Network.

Unfortunately, our shipment of kits is on backorder from the Province of Ontario. As such, we are unable to book any further pickups until we receive our order.

We appreciate your patience, and we share your disappointment that we cannot take orders until further notice.

We will send out a notification and resume appointments as soon as our shipment arrives.

The power of bulk buying ads gives businesses more visibility (more impressions) for a lower monthly cost.

Reach new markets on various channels which may have been too expensive on your own.

The program consists of a quarterly commitment and advertises your business on local radio, newspapers, social media, website and our newsletter.

<https://dufferinbot.ca/business-supports-as-of-january-7th-2022/>

Watch "Dufferin Days" videos of local businesses.
Learn their stories.

Show your support.

<https://dufferinbot.ca/think-local-video-series/>

Upcoming in February:

- launching of Business Issues Survey
- Open nominations for Business Excellence Awards
- Skilled Trades project redesign

January 13, 2022

Dufferin County Economic Development Fund Reporting

The EDC received the Dufferin County Economic Development Implementation Fund grant in February 2020 the amount of \$30,000 to be used towards the development of a cycling strategy to promote recreation and tourism in Mulmur through cycling and increase spending at area businesses.

In 2020 the EDC issued an RFP and awarded the design and development of a cycling materials and signage to Christian Beausoleil.

Consultation with cyclists, user groups, municipal staff and the Economic Development Committee led to the recommendation that cycling stations be installed in areas where cycling is most prominent for residents, children and visitors, as well as where the municipality is focusing its "Share the Road" efforts. Consideration of impartiality, liability and maintenance was also given when identifying locations on governmental and private lands. The following locations were selected to receive the following infrastructure:

Dufferin Forest (Main Tract)

- Cycling Stand
- Fix-it Station
- Signage

Pine River Fishing Reserve

- Cycling Stand
- Bench
- Signage

Kilgorie Mailboxes

- Bench
- Signage

Municipal Office

- Cycling Stands
- Benches
- Fix-it Station

- Signage
- Honeywood Park
- Cycling Stand
 - Bench
 - Fix-it Station
 - Signage
- Thomson Trail Park
- Cycling Stands (2)
 - Benches (4)
 - Signage
- Mansfield Community Park
- Cycling Stands (2)
 - Signage

Next Steps

Due to time constraints and weather, cycling station infrastructure and signage will be installed in Spring 2022.

Economic Impact

Where possible, the Township secured the services of local vendors to support their initiatives including Cycling Elements in Orangeville and Dunwood Signs & Textiles in Dundalk.

Strategic Plan Implementation

Council’s Strategic Plan (2020-2024) commits the Township to sustainable growth while protecting the environment, scenic beauty, natural resources and agriculture and rural and community character of the Township. The four strategic paths identified in the plan include:

1. Growing a Prosperous Mulmur: Responsibly managing the fiscal resources of Mulmur and providing opportunities for success.
2. Growing a Connected Mulmur: Communication with and social connectivity within the Mulmur community.
3. Growing a Supportive Mulmur: Providing local services to support the needs of Mulmur residents and businesses.
4. Growing a Sustainable Mulmur: Being Proactive in Sustainable Initiatives to ensure the long term well being of Mulmur (includes Resources/Financial/People).

Within each path, goals are identified and supported by action items. Goal Four of Growing a Sustainable Mulmur is to promote and preserve Mulmur’s natural attractions to residents through:

- Promotion of the Bruce Trail
- Supporting cycling and equestrian activities in the Dufferin Forest, trails and roads
- Encouraging the development of the Pine River Fishing area

The development of cycling infrastructure throughout the Township has supported Council’s strategic plan and has accomplished Goal Four of Growing a Sustainable Mulmur. A copy of the 2020-2024 Strategic Plan can be found as Schedule A.

Budget Overview

Ledger detail and supporting invoices can be found as Schedule B.

REVENUE	
Dufferin County Grant	\$ 30,000.00
Township of Mulmur	\$ 2,920.04
TOTAL REVENUE	\$ 32,920.04

EXPENSES	
Christian Beausoleil	\$ 8,522.40
Barco Products	\$ 9,843.92

Cycling Elements	\$ 7,886.40
TOTAL EXPENSES	\$ 32,920.04

Materials

Signage design and cycling infrastructure can be found as Schedule C.

Sincerely,

Roseann Knechtel

Roseann Knechtel, Deputy Clerk/Planner Coordinator
Township of Mulmur

STRATEGIC PLAN (2020-2024)

This Plan draws from *Mulmur's Thriving Future*, the first Mulmur Strategic Plan of 2013-2018, the *Mulmur Community Economic Development Strategic Plan* of 2016, and the *Imagine Mulmur in 3D* document of 2019.

This Plan identifies four priority paths, each having an array of subsets, and collectively are intended to provide both focus and guidance for Mulmur Council.

To enhance the community impact of these goals, and build on the Mayor's direction for participative leadership, it is recommended that members of Council will assume a championship role for one of the priority paths.

VISION STATEMENT

The Township is committed to sustainable growth while protecting the environment, scenic beauty, natural resources and agriculture and rural and community character of the Township. The Township wishes to be a highly desirable, safe, prosperous, beautiful and natural community to live, work, learn and play.

FOUR STRATEGIC PATHS

Responsibly managing the fiscal resources of Mulmur and providing opportunities for success

Providing local services to support the needs of Mulmur residents and businesses

Being Proactive in Sustainable Initiatives to ensure the long term well being of Mulmur (includes Resources/Financial/People)

Communication with and social connectivity within the Mulmur community

Prosperous

Connected

Supportive

Sustainable

Growing a Prosperous Mulmur

Responsibly managing the fiscal resources of Mulmur and providing opportunities for success

- **Retain, enhance and attract businesses**

Action 1 – Help existing small businesses grow through awareness, red tape reduction, education
Action 2 – Actively engage with county, provincial and federal agencies to obtain resources to support local initiatives
Action 3 – Produce “Investing/Locating in Mulmur” promotional materials
Action 4 – Develop Mulmur Business Directory and focus on Mulmur businesses
Action 5 – Develop and Implement a Broadband Strategy so that Businesses have access to high quality internet services.

- **Pursue responsible growth in residential and employment areas**

Action 1 – Promote local employment opportunities and awareness
Action 2 – Update On-Farm Diversification and Home Industry regulations in the Township’s Official Plan
Action 3 – Encourage residential development in Mansfield and other Hamlets
Action 4 – Implement Aging in Place policies in the Township’s Official Plan

- **Identify, research and plan for future fiscal pressures**

Action 1 – Implement recommended service efficiencies from County efficiency study
Action 2 – Explore and identify financial opportunities for investment and income generation
Action 3 – Ensure Asset Management Plans renew infrastructure as projected
Action 4 – Track grant opportunities and increase grant writing capacity

Growing a Connected Mulmur

Communication with and social connectivity within the Mulmur community

- **Inform and engage the community through a variety of communication tools and channels**

Action 1 – Develop and implement a communication strategy for the Township
Action 2 – Identify and articulate Mulmur's key messages on a regular basis using effective channels
Action 3 – Invest in communication resources, technology and tools
Action 4 – Create "Go Local Package" for distribution to residents and newcomers

- **Support community events to bring residents together**

Action 1 – Provide a variety of events in Mulmur to enhance inclusiveness
Action 2 – Publicize all events in Mulmur through available channels
Action 3 – Pursue new opportunities identified in Recreation Efficiency Study
Action 4 – Build a calendar of community/tourism events and link with high traffic community calendars in the region
Action 5- Encourage the use of local businesses for community events and services

- **Actively seek better cellular and internet connectivity for residents and businesses**

Action 1 – Develop a Broadband Strategy and Seek Partnerships to build better connectivity and infrastructure.

Growing a Supportive Mulmur

Providing local services to support the needs of Mulmur residents and businesses

- **Develop future plans for services and amenities in Mulmur.**

Action 1 – Identify lower tier and upper tier responsibilities and service gaps
Action 2 – Determine key needs for community and medical services within Mulmur
Action 3 – Streamline approvals for services by amending permitted uses where needed and expediting site plan approval process
Action 4 – Encourage Enbridge Gas to support Mansfield extension

- **Facilitate education and training for Mulmur residents and entrepreneurs/businesses**

Action 1 – With input from organizations such as Dufferin Board of Trade, identify and support employment programs and opportunities for Mulmur residents and youth
Action 2 – Recognize Youth Leadership efforts through awards at Primrose Elementary and Centre Dufferin Secondary School.
Action 3 – Conduct sector round tables to support ongoing adaptive management

- **Identify and develop new leaders through civil engagement**

Action 1 – Identify and support succession in administrative team, community committees, boards and ad-hoc groups
Action 2 – Encourage Mulmur residents to become involved in the decision making at Mulmur Township through participation in committees and ad-hoc groups.

- **Celebrate success of residents including students, volunteers, Mulmur team members and business achievements**

Action 1 – Recognize grand openings of new businesses
Action 2 – Recognize individuals and groups leading community change and/or improvements in Mulmur
Action 3 – Recognize leadership at Council meetings and/or Town Hall meetings
Action 4 – Investigate a nomination portal for residents to identify changemakers and outstanding citizenship.
Action 5 – Develop an employee recognition program

Growing a Sustainable Mulmur

Being Proactive in Sustainable Initiatives to ensure the long term well being of Mulmur (includes Resources/Financial/People)

- **Protect rural character**

Action 1 – Update policy and definition for “rural character”

Action 2 – Review changes to the Provincial Policy Statement to determine viewshed protection

Action 3 – Implement rural character through zoning

- **Be proactive in the sustainable use of non-renewable resources**

Action 1 – Adopt and implement recommendations from the Green Energy Plan

Action 2 – Determine protection gaps in revised Nottawasaga Valley Conservation Authority mandate

Action 3 – Monitor provincial decisions and implement single use plastics policy

Action 4– Protect agricultural land and water and forest resources

- **Explore opportunities to improve the protection of water and air quality, waste management and adaptations to climate change and extreme weather events**

Action 1 – Audit municipal activities with a focus on reducing energy consumption and environmental footprint

Action 2 – Partner with the citizens, organizations and other levels of government to promote grants and activities to mitigate contributions to and effects of climate change

Action 3 – Investigate waste management solutions that support enhanced environmental protection.

- **Promote and preserve Mulmur’s natural attractions to residents**

Action 1 – Post Bruce Trail “Loops of Mulmur” Map developed by Community Events Committee on Mulmur website

Action 2 – Support Cycling and Equestrian Activities in Dufferin Forest, on trails and on Mulmur roads

Action 3- Encourage development of the Pine River Fishing Area through the “Friends of Pine River” volunteers

 The Ministry of Natural Resources and Forestry identified the Pine River Fishing Area as a preferred site for speckled (brook) trout. This area was stocked with over 5,000 fish in 2019.

BICYCLES

BICYCLES

- WELCOME TO -
PINE RIVER FISHING AREA

TRAIL ETIQUETTE

- Share the road
- Show courtesy to all trail users
- Stay on the trail
- Stay to the right, pass on the left
- Pedestrians have right of way
- Do not litter

BICYCLISTS:
 How to share the road safely

1. Stop at all stop signs
2. When riding 2 abreast please leave the left half of the lane clear to allow drivers to see the road ahead for safer passing
3. Group riders should ride in tight, predictable and small formations that make it easier for vehicles to pass
4. Wear highly visible clothing and/or strong lights to be seen early

MOTORISTS:
 How to pass cyclists

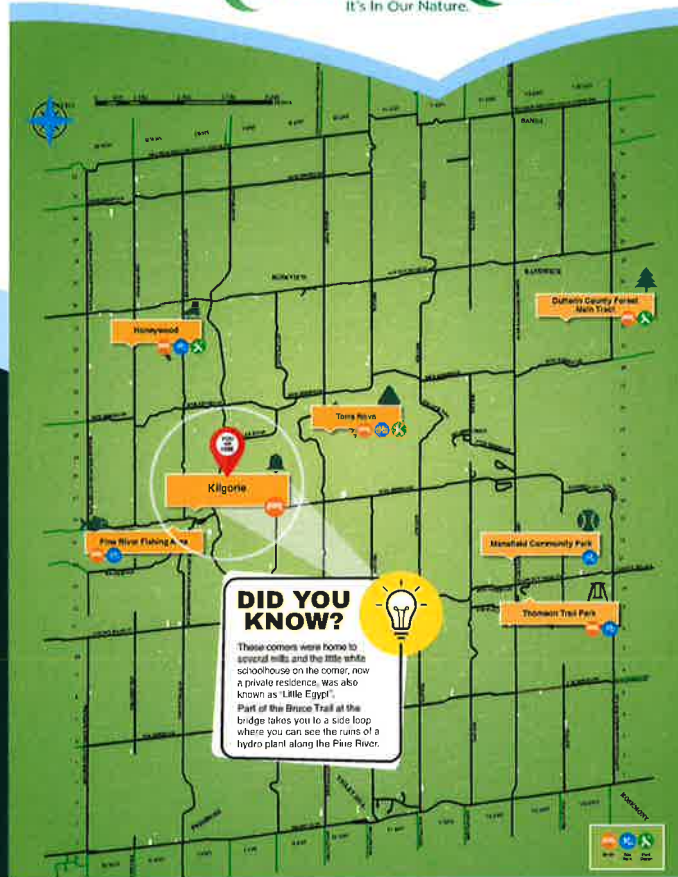

1. Pass only when the oncoming lane is clear
2. Be patient. 2 abreast cycling is legal
3. The law requires a minimum of 1 m space between a cyclist and the car when passing therefore all passes require a lane change. Never pass a cyclist within the same lane.
4. Bicyclists have the same rights to use the road as cars

ENJOY YOUR RIDE!

How to share the road safely

1. Stop at all stop signs
2. When riding 2 abreast please leave the left half of the lane clear to allow drivers to see the road ahead for safer passing
3. Group riders should ride in tight, predictable and small formations that make it easier for vehicles to pass
4. Wear highly visible clothing and/or strong lights to be seen early

MOTORISTS:

How to pass cyclists

1. Pass only when the oncoming lane is clear
2. Be patient. 2 abreast cycling is legal
3. The law requires a minimum of 1 m space between a cyclist and the car when passing therefore all passes require a lane change. Never pass a cyclist within the same lane.
4. Bicyclists have the same rights to use the road as cars

ENJOY YOUR RIDE!

DID YOU KNOW?

Honeywood was once called Flaxwood. One of the founders called it Flaxwood after his wife Flaxie, but then soon discovered another town had already used that name...so he changed it to Honeywood because he always called her Honey.

DID YOU KNOW?

Mansfield has always been a sporting community. In 1870, the community held a Dominion Day football and baseball game against the neighbouring village of Stantah. Dominion Day tournaments became a tradition and continued into the 1950's. This land was purchased in 1925 for a community park and Mansfield's baseball teams have remained a unifying force in the community.

Q1 What challenges is your business currently facing?

Answered: 3 Skipped: 0

#	RESPONSES	DATE
1	Two primary concerns, and the first is what's facing most of us: the ongoing pandemic. Can't change that one! The second is our horrible internet service. I've been meeting with clients and colleagues by Zoom and I often have to turn off video to keep the call going. We use the Bell turbo hub, but keep looking around for better options. I'm told that fiber optic is coming - hopefully soon!!	11/21/2021 9:42 AM
2	Lack of reliable internet,	11/14/2021 5:59 PM
3	1. Internet. We are struggling to run our business efficiently (and cost-effectively) without high speed. We pay more than \$700/month in internet charges for sub-part connectivity which is absurd and not sustainable. High speed was laid eastbound to Terra Nova, but didn't make the final leg to Airport Road. (2) Lack of Workers - hiring qualified staff pre-pandemic was a challenge. Now it's a near impossibility. (3) Lack of Commercial Space (and too much Municipal red tape for expanding operations on site). Business is growing, and we need to look at additional off-site space. There is nothing in Mulmur. So we are forced to look north to Creemore/C-Wood and south to O-Ville. Unless we are missing something...	11/9/2021 7:01 AM

Q2 How can we help?

Answered: 3 Skipped: 0

#	RESPONSES	DATE
1	Keep working on getting better internet for all residents!	11/21/2021 9:42 AM
2	Reduce the dead zones in these beautiful hills.	11/14/2021 5:59 PM
3	Ensure businesses running in Mulmur have access to high speed internet. It's a basic necessity to operate. We are large users of data due to graphic files, eCommerce store and other heavy data usages.	11/9/2021 7:01 AM

Q3 Do you have any current employment opportunities?
