I would like to add my sincere thanks to all involved in yesterday's Family Day event. The rink has been shown to be the gathering place that the Mansfield community so badly needed this winter. This event illustrates the value of Thompson Park and what it can mean to the whole community.

While Council contributed funds to the project, none of it would have been possible without the tireless dedication of the volunteers who dreamed of something better for their neighbourhood. Please keep dreaming and we will work with you to try to make dreams come true!

Special thanks to our ever enthusiastic Firefighters who stepped up with food offerings and the Special Events Committee for a great afternoon. It was so nice to be out with people again.
Thank you all.

Chief Blacklaws: Huge thanks to the Firefighters as well - the hotdogs were a big hit and without you fellas we might still be struggling with the tent. 😊 Please extend our gratitude to your team.

Thanks to all Mulmur staff for the prep work and to all council who attended. Yay Community Events Committee! What a great day!

Hi all, it was great to get together in person today as an events committee and to see a turnout of more than one hundred by my rough count.

Although the ice was not good enough for skating, the weather at around 3 degrees PLUS was really pleasant. The firefighters did a super job in providing the hot dogs and the bonfire.

The kids were having fun roasting marshmallows, and the adults were having fun just enjoying being in the fresh air.

The donation of the Cider by Giffens was really well received and serving both hot and cold cider worked a treat, thanks Sarah and I know the event signs were a hit, thanks to Sylvia's daughter.

Thanks to the township staff for their assistance.

It was a real pleasure to see Janet Horner, thanks Janet.

Best to you all,

Geoff
