MESSAGE FROM THE CO-CHAIRS

We are pleased to bring you the third annual report on the Community Safety and Well-being (CSWB) Plan for 2021-2024. This report highlights the significant work of the Integration Table, our partners, and the community in 2023.

Community Safety and Well-being are a foundation of vibrant communities. A variety of people call Dufferin County home. While our stories may differ, we all value safety and well-being.

In 2023, we took on many challenges, and we are pleased with our successes. In particular, the Integration Table successfully conducted a community-wide survey, which attained extensive reach, support, and participation throughout the County. Our community stepped up and has given us valuable information to guide our next plan.

We would like to thank the individuals, partners, Lead Tables, and municipalities across the County for their efforts this year. Community Safety and Well-being work requires agility and attentiveness from many to be successful. Thank you for all that you do!

ONTARIO'S CSWB PLANNING

The Comprehensive Ontario Police Services Act, 2019 mandates every municipal council to prepare and adopt a Community Safety and Well-Being Plan. Under the legislation, municipalities have the discretion and flexibility to develop joint plans with surrounding municipalities. The municipalities in Dufferin are working collaboratively to develop a shared Community Safety and Well-Being Plan for all of Dufferin County.

As part of the legislation, the province mandated a number of requirements. Municipalities must:

- Prepare and adopt a Community Safety and Well-Being Plan.
- Work in partnership with a multisectoral advisory committee comprised of representation from the police service board and other local service providers in health/mental health, education, community/social services and children/youth services.
- Conduct consultations with the advisory committee and members of the public.

The Ontario Community Safety and Well-Being Planning framework operated as a guide in developing the Dufferin County Community Safety and Well-Being Plan. This framework focuses on collaboration, information sharing and performance measurement, and identifies four areas in which communities can be made safer and healthier.

WHERE WE HAVE BEEN

Data and Asset Mapping

- Organizational consultations - 20 interviews were conducted with community organizations.
- Inventory of Dufferin planning tables - an inventory of existing planning tables in Dufferin was also conducted. A total of 33 planning tables were identified.
- Local data dive - local data was collected to validate resident perceptions, to support ongoing discussions, and to create a foundation.

Community Engagement

- Community consultation - a website was created to share information and to ensure residents were given the opportunity to participate in the plan's creation.
- Resident survey - residents were able to provide input into the plan through a survey. The survey was completed in late fall of 2020. A total of 471 responses were received from residents across Dufferin County.
- Youth engagement - an engagement session was held with youth in Shelburne to learn about their experiences and perceived risks to health and safety.
- Community organization consultation - community organizations were invited to participate in a survey to identify statistics they collect, local research that has been conducted, and priorities they would like to see reflected in the plan. A total of 20 organizations responded to the survey.

Sensemaking and Plan Development

- The Advisory Committee reviewed all of the data and information that had been collected and identified five areas of focus for the plan:

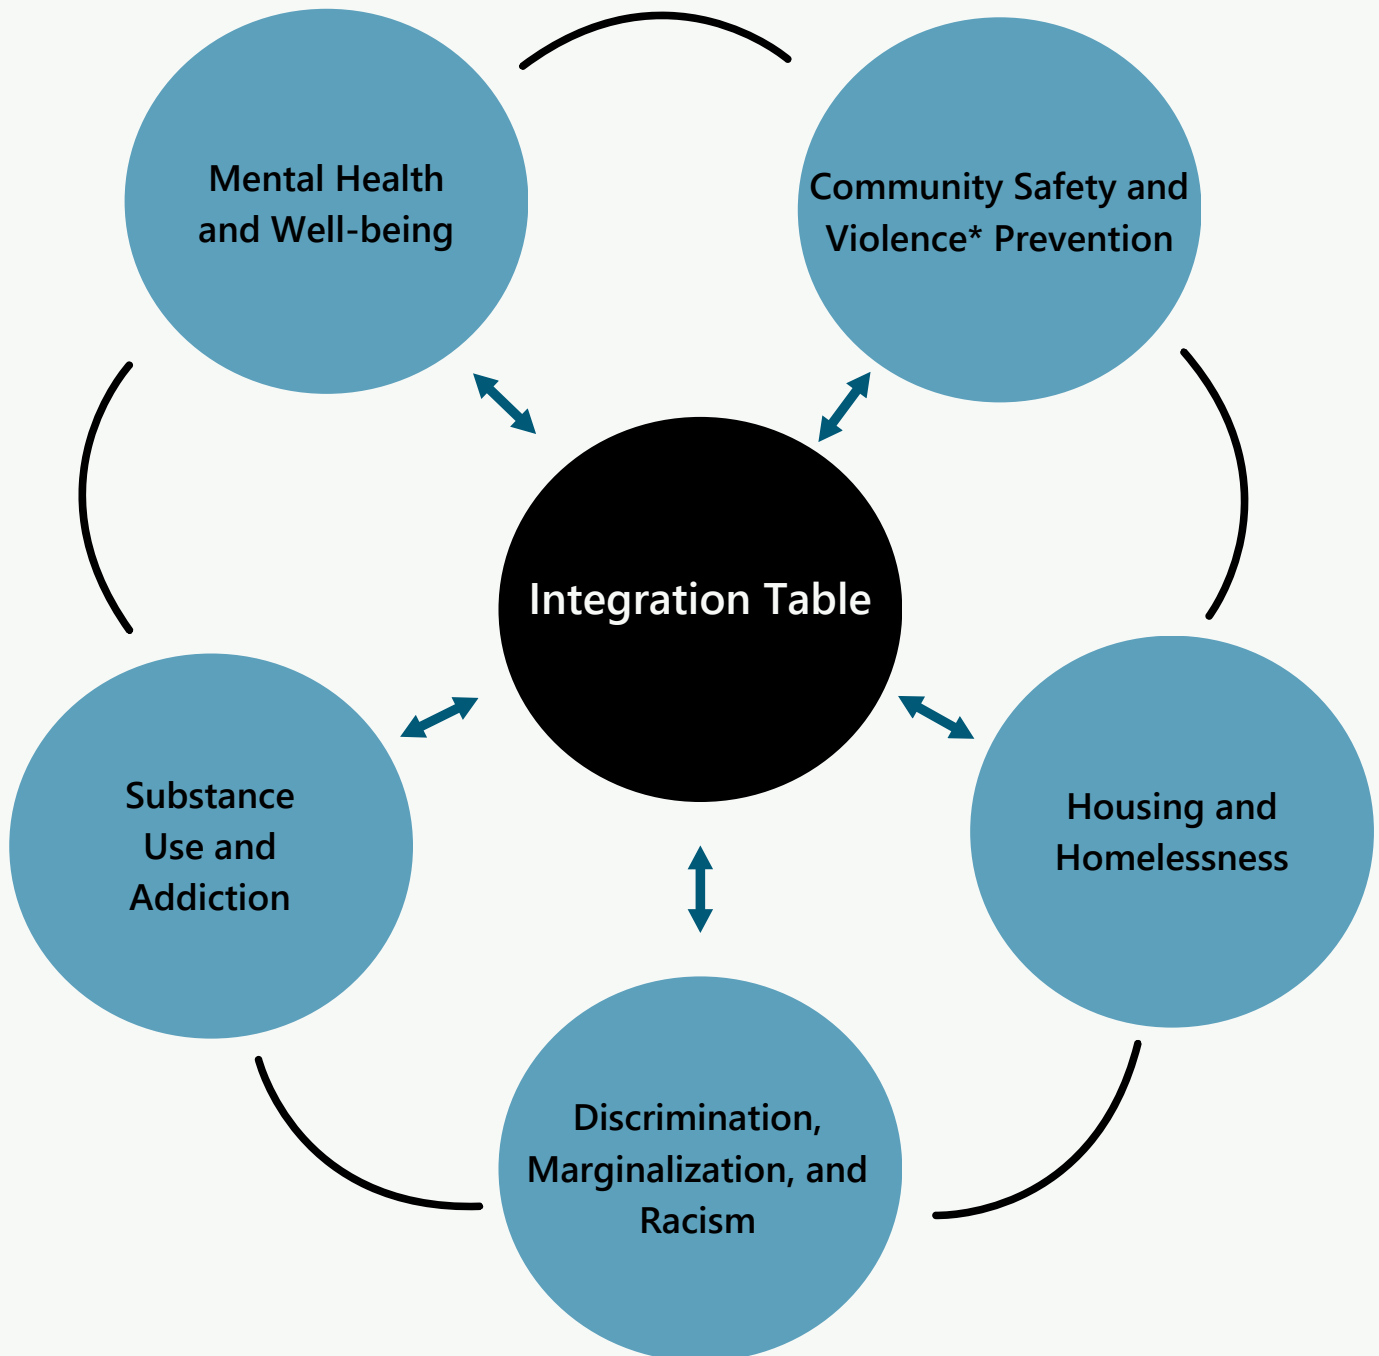

1. Mental Health and Well-being
2. Housing and Homelessness
3. Substance Use and Addiction
4. Discrimination, Marginalization, and Racism
5. Community Safety and Violence Prevention

Dufferin Community Safety and Well-being Plan

- The four-year plan was adopted in May of 2021. It will be reviewed annually.
- A structure has been established to lead the implementation of the plan, which leverages the use of existing tables in Dufferin, and ensures that there is an integrated response.
- A Lead Table has been identified for each of the priority areas. The existing Advisory Committee has converted into an Integration Table.

PRIORITY AREAS & 2023 UPDATES

*Gender-based Violence, and Family and Domestic Violence Prevention.

MENTAL HEALTH AND WELL-BEING

Lead Table: Hills of Headwaters Ontario Health Team Mental Health and Addictions Work Group

About: We are a work group structured through the Hills of Headwaters OHT as a result of mental health and addictions being identified as a priority area for our local OHT. We are comprised of a wide range of community service providers and people with lived experience and we are broadly tasked with enhancing system integration; enabling straightforward and easy to navigate pathways for service; and addressing systems gaps. We have a number of sub-committees including the following: Community Crisis Integration Team, Community Response, Addictions Strategy, Bereavement Support; Congregate Settings Community of Practice; and Service Navigation.

2023 Areas of Focus:

1. Overall mental health.
2. Emergency Room visits.

2023 Update:

Planned Outcomes	Realized Outputs and Outcomes
Enhance overall Mental Health.	<ul style="list-style-type: none"> • Centralized Intake and navigation services modeled after other Ontario Health Teams. 211 was engaged to offer services to the Hills of Headwaters. Navigation committee formed to support implementation. • Annual Overdose Awareness Day held on August 31st to bring awareness to resources for the community and reduce the stigma associated with substance use and overdose. • New workplan for Community Mental Health and Addiction Support Services developed in alignment with OHT Strategic Plan. Main areas of focus include: <ul style="list-style-type: none"> ◦ Improve access and service navigation: Ensure seamless, easy-to-navigate, and equitable access to the right mental health and addictions care at the right time. ◦ Integration - Health and Primary Care: Advance whole person care experiences and health care integration. ◦ Develop system level outcomes or Key Performance Indicators. • The Working Group held a planning session in September to identify barriers and opportunities to having more reach and improving collaboration.
Reduce emergency room visits.	<ul style="list-style-type: none"> • Continued collaboration of community partners through the Community Integrated Crisis Team, Community Outreach Support Counsellors and Mobile Crisis Response Team to divert unnecessary use of hospital and Emergency Department. Data collection and analysis was supported by Collective Results to enhance awareness of resource use and need.

HOUSING AND HOMELESSNESS

Lead Table: Dufferin County Equity Collaborative (DCEC) Housing & Homelessness Working Group

About: The DCEC Housing & Homelessness Working Group was formed in Spring 2019. The group's 2023 goal was that "All members of the community will have equitable access to safe and affordable housing."

2023 Areas of Focus:

1. Community awareness and understanding of homelessness.
2. Reduction of barriers.
3. Housing stability supports and initiatives.

2023 Update:

Planned Outcomes	Realized Outputs and Outcomes
<p>Increase community awareness and understanding of homelessness, the lack of safe and affordable housing in our community, and the impact these issues have on our community.</p>	<ul style="list-style-type: none"> • County of Dufferin - Planning and Economic Development joined the Working Group. • FTP and Choices attended Celebrate Your Awesome, promoting the housing postcards to raise awareness.
<p>Increase access to safe and affordable housing.</p>	<ul style="list-style-type: none"> • Ed Peterson, Founder of Tiny Homes Association, gave a presentation to the Working Group that was attended by County Planning, Economic Development, and Building staff. • Presentation from Eden Grodzinski from Habitat for Humanity Halton-Mississauga-Dufferin's Tiny Home program.
<p>Increase initiatives to help obtain and maintain safe and affordable housing.</p>	<ul style="list-style-type: none"> • The County received additional Homeless Prevention Program funding and allocated funds for supportive housing and increased the number of housing allowances available. • The County provided 26 new Canada-Ontario Housing Benefits (COHB) to residents. This benefit is portable and can be taken anywhere in the province. • Dufferin's Men's Shelter opened. • Delivered RentSmart training and certification to two cohorts (Youth and Men's Shelter).

SUBSTANCE USE AND ADDICTION

Lead Table: Dufferin-Caledon Drug Strategy Committee.

About: The Dufferin-Caledon Drug Strategy started back in 2017 as a group of community agencies coming together to organize a local event in recognition of Overdose Awareness Day on August 31. At that time, the agencies felt strongly that something needed to be done to draw awareness and offer support to the community as the number of overdose related deaths were increasing and the “Overdose Awareness Day” Committee was formed. Over the years the Committee has stayed committed to increasing the community’s awareness of the issue and morphed into the “Dufferin-Caledon Drug Strategy” in 2020 recognizing that the work needed to be broader than just organizing a one day event each year.

2023 Areas of Focus:

1. Community awareness and understanding of addiction.
2. Reduction of stigma.
3. Drug use safety.

2023 Update:

Planned Outcomes	Realized Outputs and Outcomes
Assist workplaces with substance regulatory changes.	<ul style="list-style-type: none"> • Outreach to community businesses re. <u>Section 25.2 of the OHSA</u>: Provided letters to identified businesses. Letters resources to assist with workplace obligations.
Reduce the stigma of addiction in the community and promote drug-use safety.	<ul style="list-style-type: none"> • Overdose Awareness Day event on Aug. 31: <ul style="list-style-type: none"> ◦ 45 community members attended. ◦ 48 service providers attended. ◦ 3 speakers shared their experiences with substance use; one from their own personal experience, one as a family member who lost their sister to an overdose related death and one first responder (Dufferin OPP) doing the work. ◦ 2 local newspapers (Banner and Citizen) attended and wrote an article about the event afterward. ◦ FTP distributed 34 naloxone kits/refills, 4 sharps containers (3 black and 1 yellow), 4 quick packs (10 packs of needles). ◦ WDG Public Health distributed 9 naloxone kits, 4 meth kits, 1 crack kit, 10 sharps (black), and 1- 1L kit. • In November 2023, the first edition of the Dufferin County weekly FAST Overdose Alert Platform report started being shared on Wednesday afternoon with committee members. This report helps to give an understanding of substance use harms within our communities.

DISCRIMINATION, MARGINALIZATION, AND RACISM

Lead Table: County of Dufferin Diversity, Equity and Inclusion Community Advisory Committee (DEICAC)

About: The County of Dufferin Diversity, Equity and Inclusion Community Advisory Committee (DEICAC) was created in October 2020 as a response to local incidents of anti-Black racism. The Advisory Committee to County Council was implemented very promptly, following in the wake of similar actions in municipalities that took place during the most recent wave of North American African, Caribbean and Black community civil rights organizing, characterized by the United States and Global Black Lives Matter movement. The mandate for the committee will be to advise County Council, make recommendations and provide a monitoring and measuring role to help ensure that the County applies a diversity, equity and inclusion lens to its policies, services and programs.

2023 Areas of Focus:

1. Recruitment.

2023 Update:

Planned Outcomes	Realized Outputs and Outcomes
Expand DEICAC membership.	<ul style="list-style-type: none"> • Underwent DEICAC membership recruitment. • November 21, 2023, DEICAC met to complete part one of the committee onboarding program.

COMMUNITY SAFETY AND VIOLENCE* PREVENTION

Lead Table: Dufferin/Caledon Domestic Assault Review Team (DART).

About: The Dufferin/Caledon Domestic Assault Review Team (DART), established in 1994, is a group of representatives from the County of Dufferin and Town of Caledon (Region of Peel) criminal justice, medical, child protection and community service agencies. Each agency has an individual mandate to deal with domestic abuse either supporting victims, or children who have been exposed to abuse, or the perpetrators of the abuse. The work of the Committee is accomplished through agency representatives who take part in interagency decision-making, by commitment to the Protocol, by commitment to deal with new challenges as they emerge and with the assistance of interagency agreements.

2023 Areas of Focus:

1. Maintain a sensitive, effective service response to victims and children who have been exposed.
2. Hold perpetrators of violence or abuse accountable for their behaviour and its effects.
3. Communicate and consult effectively between agencies.
4. Voices of Courage, people with lived experience group.

2023 Update:

Planned Outcomes	Realized Outputs and Outcomes

- The Town is also investigating automated speed enforcement.
- The Town regularly shares information on Emergency planning for your home and family including fire evacuation strategies for each home.

WHERE WE ARE GOING

Data and Asset Mapping

- Local Data Dive - local data is being collected to guide the next CSWB Plan.

Community Engagement

- 2023 Community Survey - Residents completed a survey in late 2023 and early 2024. This will help evaluate progress on the 2021-2024 Plan in its final year and provide some guidance for the 2025-2028 plan.

Sensemaking and Plan Development

- Data Sensemaking - work is underway to examine and make sense of data at the Integration Table.
- Guiding the next Plan - The Integration Table will review all of the data and information that will be collected and identify areas of focus for the next plan.

Dufferin Community Safety and Well-being Plan 2025-2028

- Another four-year plan will be adopted with the completion of the 2021-2024 plan.
- A structure has been established to lead the implementation of the plan, which leverages the use of existing tables in Dufferin, and ensures that there is an integrated response.
