## 1. Authority

On November 6, 2024, the Council of the Corporation of the Township of Mulmur adopted By-law No. 31-2024 authorizing the use of alternative voting methods and vote counting equipment for the 2026 Municipal and School Board election. Electronic (telephone and internet) Voting was approved as the alternative voting method.

The Municipal Elections Act, more specifically Subsection 42(3), states as follows:

The Clerk shall,

- (a) establish procedures and forms for the use of,
  - i. any voting and vote-counting equipment authorized by by-law, and
  - ii. any alternative voting method authorized by by-law; and
- (b) provide a copy of the procedures and forms to each candidate when his or her nomination is filed. 2009, c. 33, Sched. 21, s. 8 (22); 2016, c. 15, s. 31 (3).

Subsection 42(4), states that the Clerk shall provide the procedures and forms on or before June 1st in the year of the election.

Subsection 42(4), states that the procedures and forms established by the Clerk, if they are consistent with the principles of the Act, prevail over anything in the Act and the regulations made under it.

In addition, the Municipal Elections Act specifies that the Clerk of a local municipality is responsible for conducting elections within that municipality. From that authority and from By-law No. 31-2024, the Clerk entered into an agreement on September 5, 2025, with an eVoting Service Provider for Electronic (telephone/internet) Voting service for the 2026 Municipal and School Board Elections.

Subsection 11(2) of the Municipal Elections Act states that the Clerk of a local municipality has responsibility for conducting elections within that municipality and responsibility for,

- a) preparing for the election;
- b) preparing for and conducting a recount in the election;
- c) maintaining peace and order in connection with the election; and
- d) in a regular election, preparing and submitting the report described in subsection 12.1 (2). 1996, c. 32, Sched., s. 11 (2); 2009, c. 33, Sched. 21, s. 8 (7).

With respect to the duties and authority of a municipal Clerk, the Municipal Elections Act further states as follows:

12(1) A Clerk who is responsible for conducting an election may provide for any matter or procedure that,

- (a) is not otherwise provided for in an Act or regulation; and
- (b) in the Clerk's opinion, is necessary or desirable for conducting the election.

## 2026 Township of Mulmur Election Procedures

---

- 12(2) The power conferred by subsection (1) includes power to establish forms, including forms of oaths and statutory declarations, and power to require their use.
- 12(3) The power conferred by subsection (1) includes power to require a person, as a condition of doing anything or having an election official do anything under this Act, to furnish proof that is satisfactory to the election official of the person's identity or qualifications, including citizenship or residency, or of any other matter.
- 13(1) Any notice or other information that this Act requires the Clerk to give shall be given in a form and manner and at a time that the Clerk considers adequate to give reasonable notice or to convey the information, as the case may be.
- 13(2) The Clerk shall provide electors, candidates and persons who are eligible to be electors with information to enable them to exercise their rights under this Act.

Subsection 42(5) states that when a by-law authorizing the use of an alternative voting method is in effect, Sections 43 (advance votes) and 44 (voting proxies) apply only if the by-law so specifies.

With respect to proxies, a person cannot give his or her Voter Information Letter to another eligible elector or other individual for the purpose of voting. Acceptance of a Voter Information Letter including the actual voting thereof will be considered an illegal and corrupt practice and therefore subject to the penalty provision under the Municipal Elections Act.

The Municipal Elections Act, more specifically Section 53, also provides that the Clerk may declare an emergency if he or she is of the opinion that circumstances have arisen that are likely to prevent the election being conducted in accordance with this Act and provides the authority to the Clerk to make arrangements for the proper conduct of the election. Any arrangements made by the Clerk, if they are consistent with the principles of the Municipal Elections Act, prevail over anything in the Act and the regulations and all such arrangements, if made in good faith, shall not be reviewed or set aside on account of unreasonableness or supposed unreasonableness.

Therefore, as Clerk of the Township of Mulmur and Returning Officer for the 2026 Municipal & School Board Elections, I do hereby certify and approve the following election procedures for conducting the 2026 Municipal & School Board Elections and also establish that the attached forms are the forms permitted to be used during this election process.

Service Provider at the Clerk's discretion. This list shall be provided by the eVoting Service Provider in real time or as closely as possible to real time.

- 7.5 If so allowed by the Clerk, the eVoting Service Provider will make available during the course of the election, IDs and passwords for candidates and their scrutineers, who when using this authorization, can connect to a Candidate module to review voter's list information previously identified by them to recognize participants in the election. This capability does not provide the candidate or their designate information on *how* a voter has voted, only if they *have* voted in the election. A voter who has voted at least one race during an election is considered a participant.
- 7.6 Candidates or their scrutineers may view this information any time after the start time of the election.
- 7.7 Where a voter is associated with multiple properties within the Township, the voter may vote only once, and the qualifying address to determine eligibility for voting shall be the place of residence of the voter. All duplication of names on the Preliminary List of Electors shall be verified by the Clerk and/or election official(s), and all duplicate names of individuals shall be deleted prior to the final preparation of the voters' list. Should a voter receive more than one Voter Information Letter, the voter may only vote once and must return the other Document(s) to the Municipal Administration Office. All voters that vote more than once or who improperly use the Voter Information Letter shall be reported to the Ontario Provincial Police for further investigation as to possible corrupt practices under the Act.
- 7.8 Should a Voter Information Letter be returned to the Municipal Administration Office unopened, the PIN status will be disabled by an election official in a manner that prevents the PIN from being successfully validated in the voting process. The Voter Information Letters will then be marked "unused" and be retained in a secure means and subsequently destroyed at the same time as all other Municipal Election material as provided for under Section 88(2) of the Act.
- 7.9 Should a Voter Information Letter be returned to the Municipal Administration Office that has been opened but has not been used for voting purposes, the PIN status will be disabled by an election official in a manner that prevents the PIN from being successfully validated in the voting process. In this circumstance, the Voter Information Letter shall be marked unused and be retained and destroyed as in item 8 above.

---

- 7.11 Where an eligible voter has attempted to validate his or her PIN and they have determined that the PIN has already been used, the voter can attend the location determined by the Clerk, bringing satisfactory identification and have an election official confirm that the PIN has been used by an impersonator.
- 7.12 Prior to authorizing the re-issuance of a new Voter Information Letter which contains a new PIN, the voter shall be required to respond and answer any and all questions from the election official. The election official shall document, to his or her satisfaction, questions and answers of the voter and, if deemed appropriate, the Clerk shall submit same to the Ontario Provincial Police for further investigation and prosecution.
- 7.13 If the election official believes that all questions have been answered truthfully and to his or her satisfaction, the election official may authorize the provision of a new Voter Information Letter which contains a new PIN or, at the discretion of the election official the elector will be required to make a declaration as to his or her statement and take an oath which shall be given by the election official. A copy of this declaration shall also be submitted to the Ontario Provincial Police should further questioning be required in order to ascertain if corrupt practices have occurred. The elector will be required to assist and cooperate in the investigation in determining the individual(s) who has fraudulently used the voter's assigned PIN.
- 7.14 Once the voter has properly answered all questions and if required, taken the prescribed oath, a new Voter Information Letter containing a new PIN can be issued.
- 7.15 Where an eligible voter has received an incorrect Voter PIN in terms of ward or district association, and/or school support association, the voter can contact a Voter Help Centre and have the proper information applied to the existing PIN. The voter may re-access the system and vote all races not yet completed.
- 7.16 The eligible voter shall be able to re-enter the system at any time during the election using the existing PIN or the re-categorized PIN until voting for all races has been completed.
- 7.17 New PIN(s) shall not be given out over the telephone or by mail without the expressed approval of the Clerk or their designate. A Voter Information Letter containing a PIN shall not be given to any person at the Voter Help Centre unless satisfactory identification is provided and the individual has taken the required oath, if required, as administered by an election official.

Penalties for offences under the Act are described in Section 94.1 of the Act and include amounts of fines and terms of imprisonment.

12.4 No person(s) shall solicit a Voter Information Letter from an eligible elector. All valid complaints or knowledge of solicitation shall be reported immediately to the Ontario Provincial Police for investigation of corrupt practices.

12.5 In addition, under the provisions of Section 90 of the Act, if a person is convicted of an offence and the offence was committed knowingly, the offence also constitutes a corrupt practice, and the person is liable, in addition to any other penalty, for a term of imprisonment of not more than six (6) months.

12.6 Although many provisions of the Act also deal with voting places, ballots and ballot boxes, etc. the same must be used interchangeably with the “alternative form” of voting since the principle of the Act must be maintained and is therefore enforceable and subject to penalties.

### **13. Mail Tampering – Criminal Offence and Prosecution**

13.1 The Criminal Code of Canada states that tampering with the mail of an individual is a criminal offence and a person(s) found guilty is liable to a term of imprisonment not exceeding ten (10) years.

13.2 Since the Township will be using an alternative voting method, that being Electronic (telephone/internet) Voting, and the notification of the voting process and how electors can access the voting system to exercise their right to vote will be completed through the mail, mail tampering is a criminal offence under the Criminal Code of Canada.

13.3 As such and to ensure the integrity and confidence of the voting process for all electors and the candidates, the Clerk of the Township in this alternative form of voting has agreed to the following rules and regulations:

- a) That all complaints about actions which may contravene the provisions of the Criminal Code of Canada with respect to mail tampering, either verbal or written, will be investigated by the Clerk;
- b) That all such valid complaints, once investigated to the extent and knowledge of the Clerk, will be submitted to the local detachment of the Ontario Provincial Police;
